A cruise along Amsterdam's picture-book canals.....It's something not to be missed! The cruise takes you along several canals and past the city's most spectacular spots. As you glide through the historic city centre you'll see elegant merchants' residences, churches and warehouses, dating from the Golden Age and steeped in history.

The conference dinner will be held in the restaurant "d'Vijff Vlieghen". D'Vijff Vlieghen – it means 'The Five Flies' – restaurant in medieval Amsterdam is a landmark and it is one of Amsterdam's most famous restaurants, Vijff Vlieghen, is located near the city centre and very close to busy shopping streets such as the Kalverstraat and Leidsestraat.
